ESTABLISHED 1964

New Alerting System for Station 33 Courtesy of RB Rotary

Dick Matheny was intimately involved in the design, engineering, manufacturing, testing and implementation of the First-In Fire Station Alerting System in hundreds of fire stations throughout the country.

He will speak to us on Thursday about the system, which will be installed in RB's fire station as a result of our

Foundation's contribution.

Dick has been a consultant for public safety communications projects for fire departments and police departments nationwide for more than 20 years. He has been a chief engineer at Westnet, Inc. for over 25 years. Prior to joining Westnet, Inc., Dick served as a senior engineer in a preeminent aerospace firm in Southern California.

MEETING HIGHLIGHTS

By John O'Neill, Scribe Extraordinaire

The meeting was opened with consummate skill by President Dan. His grasp on this part of the job is impressive.

Ron Hunt ably handled the Pledge of Allegiance and Marty Judge presented a classic invocation written by Mother Teresa.

Jack Mitchell led us in song. A few members were actually in tune.

President Dan thanked our setup crew of Bill Bonner, Paul Donick and Ken Larson, who is also our esteemed hat-passer. He also recognized greeter Jim Hyldahl, Bob Wells for handling the raffle (aka opportunity drawing) and John O'Neill for scribing. Jim introduced our guests and Jack Mitchell serenaded them with our catchy welcome song.

Don Lisio presented the Sunshine Report with an update on Ann Calvert's back surgery. He reported that the surgery was performed in half the time expected, and that Ann is already feeling better. See you soon Ann!

Don also introduced our RBHS Scholarship award recipients, including Troy and Patty Daum's daughter Ashley. Each winner took a minute to tell us about their college plans and to thank the Rotary Club for the recognition.

Jim Sommer recited a clever poem

celebrating our illustrious fearless leader Dan, and reminded all of the upcoming Demotion Party scheduled for Friday June 19th from 6:00-9:00pm.

Dave Brooks spoke about Spirit of the Fourth, and asked for volunteers to help drive in the parade.

Finemaster O'Neill recognized Songmeister Jack Mitchell for his participation in the War of 1812. It's good to be older than God's teeth! Bob Wells was also singled out for special attention by inviting his plastic surgeon to join him at the meeting. Good luck on the facelift, Bob.

Gary Saks introduced our speaker, Randy Jones, a San Diego Padre Cy Young award winner. He was known for his sinker and the large number of ground-ball outs he induced. He became the first home-grown star for the San Diego Padres after being selected by the club, which began play in 1969, in the 1972 entry draft. By June of the following year, Jones was playing for the major league team.

Jones established the Major League season record for most chances accepted by a pitcher without an error (112 in 1976), tied ML pitchers records for highest season fielding percentage (1.000, 1976) and most assists in an inning (3, 9/28/75 - 3rd inning), and tied the NL pitchers season record for the most double plays with 12 in 1976.

Randy regaled us with his often humorous exploits, and adroitly fielded a number of questions from our members.

President Dan amped up the raffle by offering four field level tickets to an upcoming Padres game, which were won by Charley Crew who had purchased around 500 tickets. The regular raffle ticket belonged to Dave Brooks, who in a crushingly heartbreaking moment, failed to draw

the joker. He won \$10.

In a final burst of energy, President Dan rang the bell and adjourned the meeting.
